Re: Data disclosure inquiry

Dear Mr. Angus,

Thank you for your letter dated June 18, 2014 regarding telecommunications companies' responses to information requests from law enforcement agencies. We appreciate your understanding of the position our members may find themselves in with respect to responding to such requests.

CWTA members do not discuss their privacy and other subscriber-related policies, or the nature of their interactions with law enforcement agencies, with the Association. We are therefore unable to respond directly to the questions in your letter.

CWTA can assure you that its members will continue to comply with all Canadian laws in all aspects of their operations.

Sincerely,

Bernard Lord
President & CEO
