Dear Mr. Pecman:

Re: Gas Price Variation in Northern Ontario

We're in receipt of correspondence dated February 23, 2016 from the Municipality of Callander regarding the gas price variation in Northern Ontario. Council as well as residents in our community are also concerned. As such, Council passed the following Resolution at our meeting on March 14, 2016:

64-16 Scarlett, Wood

WHEREAS as a small rural Ontario community the increasing and extremely high gas prices only compound the challenges already faced by municipalities and residents alike in Northern Ontario, WHEREAS gas prices fluctuate greatly across the region and Province,

NOW THEREFORE THAT we support correspondence from the Municipality of Callander Mayor Hec Lavigne and MPP Charlie Angus regarding the ongoing concern across Northeastern Ontario of the lack of fairness in gas prices and forward a letter to the Commissioner of Competition. CARRIED

We trust you will understand our concern. We await your reply.

Yours truly,

Brenda Paul, AMCT
